## A Guide to Costs & Requirements for the Certification of SMALL COMMERCIAL VESSELS (Motor & Sailing)

January 1, 2015

### Certifying Authority

- For the issue of the Compliance Certificate (vessels < 15m L.O.A) £ 140.00
- For the issue of the Compliance Certificate (vessels < 19m L.O.A) £ 265.00
- For the issue of the Compliance Certificate (vessels > 19m L.O.A) £ 380.00

### Compliance Examination Fees

- For a vessel fully compliant with the code requirements £ 60.00 x L.O.A. (m)  
and ready for the compliance examination.  
(If other visits are needed will be charged at £ 95.00 / hr.)
- For vessels not yet compliant with the code requirements £ 120.00 x L.O.A. (m)  
(The fee includes a full pre-coding inspection, guidelines &  
assistance to make the vessel compliant, and final examination)

### Stability Assessment

- To obtain a Stability Category (for vessels < 15m L.O.A. or £ 70.00  
vessels > 15m which do not require a full Stability Booklet)
- To approval of Stability Booklet (where required). £ 460.00
- To carry out Inclining Experiments £ 95.00 / hr.

Annual Examination Fee: For vessels in Cat. 2 or above £ 250.00

### Tonnage Measurements (for Part 1 British Registry)

- Vessels < 15m L.O.A. £ 230.00
- Vessels > 15m L.O.A. £ 285.00
- Vessels > 24m L.O.A (but < 24m L.L.L) £ 350.00

Note: All above fees are in Pound Sterling and subject to travelling expenses for inspections carried out outside Mallorca along with 21% VAT (if applicable).
